

WHITEPAPER GLOBAL COIN MARKET

12/2019

GCM's mission: is a token to run in the market ecosystem. Help the process of exchanging items in market ecology easier. GCM is considered as a virtual currency used in the ecosystem of coin markets: it is used to pay for services in the ecosystem such as payment of transaction fees, advertising fees, Airdrop or Bounty list fees to enter markets or access channels. Good web to go to the market's app.

GCM is the cryptocurrency used in the coin market ecosystem:

- + GCM Group: @gcm_global**
- + GCM Channel: @mmo3t_gcm**
- + Vietnam coin market: @chocoin_VN**
- + International coin market: @chocoin_Global**
- + Information channel: @mmo3t**
- + Facebook channel: <https://www.facebook.com/groups/2290646904491576>**
- + App Market coin: App GCM**
- + Web Market coin and Airdrop.**
- + Coin market trading exchange: <http://exexchange.com>**
- + Bot Ex Exchange: @ex_exchangebot**
- + Bot Market: @chocoin_VNbot**

- Basic information about GCM:

+ Total supply: 1 billion

+ Blockchain type: ERC20.

- Stock distribution information:

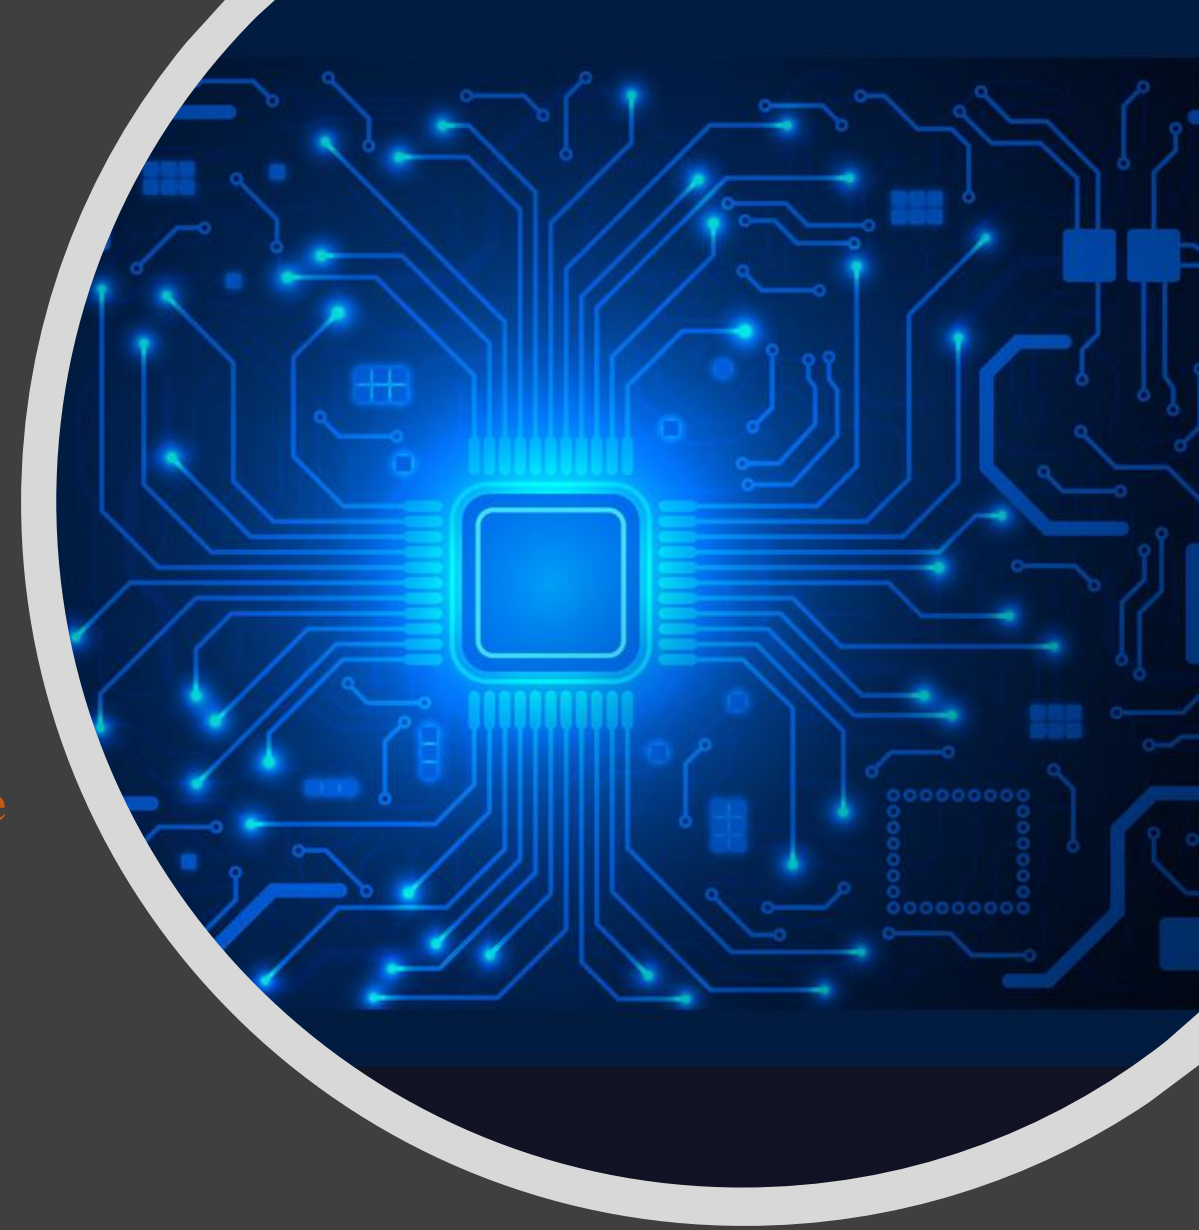

+ The development team holds 20% of the coins.

+ 30% coin Airdrop.

+ 30% sold IEO at the trading floor. IEO list fee is \$ 0.001 / 1 coin.

+ 10% is the number of coins paid to the Admin in the market ecosystem.

+ 10% is the risk of the market.

- RoadMap:

- + **Announce GCM and start airdrop for members from December 10, 2019 to the end of the first quarter of 2020.**
- + **The second quarter of 2020 will focus on Web development and start listing tokens on the exchange: will list at least two exchanges.**
- + **Quarter 3: Run IEO.**
- + **Q4: Releasing Market App and developing automatic ecosystem network. Funds for successful registration of a Game Company online.**
- + **In the first quarter of 2021: Issuing coin market trading exchange. Internal exchange does not have Fiat function according to the item exchange rules of the Vietnamese state. Exchanges are places to connect members in the process of exchanging items with each other within the framework of law.**
